In kind reference is invited to the statement flagged Y, showing the Jam improvement water cess grants given to the Kolhapur Town Municipality from the year 1943-44 upto end of 1947-48.

It will be seen therefrom that Jam improvement grants have not been given to this Municipality during the years 1945-46 to 1947-48.

The request for the payment of a Jam improvement grant of Rs 20000/- is for orders, as it is time that the financial condition of this Municipality is far from satisfactory. This a District Headquarters Municipality which is in need of help. We do recommend sanction to the proposal.

Subject —
Town Improvement grant of Rs 20,000/- to Kolar Town Municipality

SIR

I have the honour to state that the town Municipal Council, Kolar at their meeting held on 29th November 48 have resolved to request Government to sanction a grant of Rs 20,000/- for the general improvement of the Town The President in his letter dated 19th December 48 reports that the council are not in a position to take up urgent improvement works such as the formation of roads and opening of conservancies owing to their inadequate income and poor financial condition The normal income of the Municipality is not sufficient to meet the normal expenditure of the council with the result the council is not able to take up even ordinary improvement works of an urgent nature The Council, however have been taking all measures to improve their resources by levying fresh taxes and the proposals are not yet sanctioned

Meanwhile, the council have urged for the grant of a sum of Rs 20,000/- for the general improvement of the Town This was one of the requests of the Council placed before both the Chief Minister and the Minister for Public Health and Excise during their visit to the Town during November, the extract of which has been sent to me for report with your letter No I 6978 dated 23rd December 1948 As this is a District Headquarter town and as the general improvements suggested by the President are absolutely necessary, I recommend that a Government grant of Rs 20,000/ may kindly be sanctioned early, from Town Improvement grants for the current year

Sir

Re Town Improvement Grant of Rs 20,000/- to Kolar Town

I have the honour to state that the Municipal Council in their meeting held on 23-11-48 have resolved that Government may be moved to sanction a grant of Rs 20,000/- to this Town under 'Town Improvement Grants', as this Municipality had not been granted with such grants even though this is the District Head Quarter Town

2 As you are aware the financial condition of this municipality is not up to the mark and is not in a position to meet certain urgent needs of the town such as the formation of roads, opening up of conservencies etc The present normal income is just sufficient to meet the Establishment charges and the Electric charges which would come to about Rs 5,000/- every month

3 The maintenance charges for maintaining the Kolar Water Works had to be paid in advance and that the same has to be paid at Rs 1,48,-4 from July 48 up till now When such being the position, the municipality has to find out ways and means to increase the income The Council has however taken action to augment the resources by the revision of assessment and by levy of fresh Octroi and increase in certain items of octroi and Toll The benefit of this would take time to realise as the formalities in procedure would have to be gone through Urgent action is however being taken inthese

4 The roads have to be improved on a large scale and a number of conservancies have to be opened at present and for these assistance from Government in the shape of grants is very urgently required

5 I, request you, therefore kindly to recommend to Government the need of pecuniary help which is badly required, and to sanction

sanction Rs 20,000/- to this Town under 'Town Improvement Grants' in the same manner benign Government have granted to Chickballapur Town of this District

5 The copy of the resolution of the Municipal Council is herein enclosed

Yours faithfully,

PRESIDENT
